OK, we admit it. Here at Kimpton, we love our pets! Can you blame us? Now that you are all settled in it is time for a walk through the city and explore:

Up for meeting the locals? Our Director of Pet Relations favorite spot is the Boston Common—right across from Kimpton Nine Zero Hotel Boston. This pet-friendly park has dedicated hours where dogs may play off-leash, but they are welcome leashed at all times. The area in which dogs are allowed off-leash is rotated to preserve the grass underneath.

Tail wagging worthy is a stroll down Commonwealth Avenue or the Esplanade—experience the posh Back Bay neighborhood or the Rose Kennedy Greenway flanked by the waterfront.

Don't forget—a tasty treat is waiting for you when you return to Kimpton Nine Zero Hotel!
